SUMMARY

Full stack web developer with a background in education and visual arts. Self-motivated problem-solver with excellent communication skills committed to constant learning. Recently obtained a certificate in full stack web development and seeking a first coding position to grow my skills and prove myself in this exciting industry.

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, MySQL
Technologies: React.js, Node.js, Express.js, MongoDB, Bootstrap, jQuery, Heroku, Git

PROJECTS

ToySRC | github.com/jasperoudemans/toy-src | toy-src.herokuapp.com
- Single-page MERN app that helps parents of infants, toddlers, and small children sell and trade toys as their children grow older in order to keep up with the constantly changing developmental needs of early childhood.
- Responsibilities: I was the UI stylist for this project and I also used JavaScript to implement filtering the app's toy listings to include only those within a 30 mile radius from the user's zip code on button click.
- Languages/Technologies: CSS, React.js, JavaScript, MongoDB, Mongoose, Node, Express.js, Heroku, Git, GitHub

Baby Yelp | github.com/jasperoudemans/baby-yelp | baby-yelp.herokuapp.com
- Full stack restaurant review app.
- Responsibilities: I was the UI stylist for this project.
- Languages/Technologies: CSS, Handlebars.js, JavaScript, MySQL, Sequelize, Node, Git, GitHub, Heroku

Portfolio | github.com/jasperoudemans/react-portfolio
          | jasperoudemans.github.io/react-portfolio/
- My web development portfolio website
- Responsibilities: I am the sole author of this project
- Languages/Technologies: React.js, JavaScript, CSS, Git, GitHub, GitHub Pages

High School French Teacher/Middle School Latin Teacher   2018 – 2021
Heritage Academy Maricopa   Maricopa, AZ

Duties included:

- Plan and teach French and Latin as second languages in accordance with Arizona state standards for education.
- Design level-appropriate testing materials which show student mastery of the material.
- Communicate clearly and effectively.
- Work as a team and collaborate with the student's parents, administrative team, and fellow teaching staff.

Key accomplishments:

- Adapted to the demands of teaching during the COVID-19 pandemic by concurrently delivering both in-person learning and distance-learning using digital classroom technologies.

Dance Director,   2018
Arthur Murray Dance Center Santa Rosa   Santa Rosa, CA

Duties included:

- Staff development and training, choreographing staff performances and group formation dances, leading by example by upholding company policy and culture.
- Certify clients through levels of the dance program.
- Oversee and maintain relationships with long-term clients.
- Help organize events.
- Leverage sales training to sell big-ticket, long-term product packages to clients.

Certified Ballroom Dance Instructor   2015-2018
Arthur Murray Dance Center Santa Rosa   Santa Rosa, CA

Duties included:

- Teach private and group lessons.
- Develop professional and amateur dance competitors.
- Leverage sales training to sell dance lessons and packages to students.
- Attend, compete, and perform at dance competitions nationally.
- Call clients for follow-up and scheduling.

Key accomplishments: (next page)

- Broke studio speed record for successfully graduating through three levels of ballroom dance teaching certification in two years. This speaks to the ability to learn new skills quickly and implement them at a professional level.

EDUCATION

Boot Camp Certificate: University of Arizona, Tucson, AZ, 2022
14-week intensive program focused on gaining technical web development skills in HTML, CSS, Javascript, JQuery, Bootstrap, Node.js, MySQL, MongoDB, Express, Handlebars.js, and React.js.

BA Hons, Fine Arts: Goldsmiths' College, University of London, London, UK, 2015
